## Co-operation

*Co-operation is an essential part of life, an essential part of the St. Rita student. No student from the toughest football player to the most timid freshman can escape the necessity of co-operating. Each day contains different needs and different reasons for working with others. Academically, the student must co-operate with his teachers if he is to learn to the best of his ability. Spiritually, co-operation is needed if the student is to know himself and God. Achievement in sports can only be attained through co-operation. Finally, co-operation leads the St. Rita student to his high school goals. His long awaited diploma and his long accomplished maturity are both results of this joint action with others.*

## DEPARTMENTS

*At St. Rita, the story of co-operation begins with the adults who make up the administration and faculty. From them, the students derive the inspiration and impetus to work together. Aware of this, and of the responsibility it demands, the St. Rita teacher, in close co-operation with administrators, counsellors, and fellow faculty members, strives to instill in his students unity of purpose. By doing so, he leads them to a fuller appreciation of themselves, their neighbor, and the world around them.*

## Fr. Lawrence Shows Active Interest in School

Father Robert Lawrence, O.S.A., appointed Prior in 1966, conducts the community life at St. Rita Monastery. Through his activities and interest in school affairs, he shows interest, participation and cooperation with the faculty and students. His thoughtfulness and consideration for the guests and others entering the premises exhibits his unflinching charity.

The Monastery being his main concern, Father also finds time to visit the school, to participate in its activities, and to acquaint himself with the students, many of whom he taught religion, American history, and government in recent years.

Father Lawrence, ordained in 1936, came to St. Rita in 1962 after teaching at St. Thomas High School in Backus, Illinois for twenty-five years.

Mothers' Club members show Fr. Lawrence prizes at one of their gatherings.

## *Fr. Crawford Stresses Co-operation for School Year*

Fr. Crawford discusses possible proposals and policies for an up-coming administration meeting.

Fr. Francis Crawford, O.S.A., Rector of St. Rita High School, expresses the theme for the current school year as "Co-operation between faculty, administration and student body." Fr. Crawford, now in his sixth year as rector, believes that this co-operation is the basis for an ideal social and academic atmosphere. Among his many duties around the school, Father Crawford plays an active role in the administration where his sound judgment and convictions produce many beneficial results for the school. Father's influence does not end in the administration. He can often be found counseling a student or just walking the corridors, setting an example with his bright smile and warm greeting.

# Action in Administration Operates On Four Levels

When a student hears over the P.A. system that the Administration is to have a meeting, he probably wonders just what the Administration does. As the meetings are closed, he probably never knows what goes on, but know it or not, the Administration is the most helpful organization that the student has in the school.

Basically, the Administration is too general of a title. There are four areas: Departmental meetings, Deans of Departments, Curriculum Seminar, and the Administration Proper.

The Departmental meetings meet once a quarter under the chairmanship of the Dean of the respective Department. In the meetings are discussed such things as a syllabus, program changes, and new programs which can be helpful and beneficial to the student.

The Deans of Departments meet four times a year in the classrooms. They discuss suggestions to strengthen departments, evaluate department and suggest money needed to operate individual departments. Strictly speaking, they do not originate ideas, but only propose departmental changes.

The Curriculum Seminar, composed of most of the deans of Department and members of clerical and lay faculty meet every second Monday in the Faculty Lounge and discusses educational problems of particular concern to the school. For example, many changes in subject area, guidance and counselling have been the direct result of suggestions of the curriculum seminar. Here was developed the

mosaic type of classroom scheduling, the idea of a Fine Arts Center, and the revamping of the aims and purposes of studies. This is the group that continually projects new ideas for the school.

The Administration Proper, with its six Vice-Principals, is under the authority of the Principal of the school. At these meetings which are held in the monastery twice weekly proposals are voted on, the school calendar determined and various school standards such as registration, orientation, homecoming, etc., are set. The culmination of all school programs and activities is under the authority of the Administration Proper.

The operation of the Administration as a whole follows a pattern. Beginning at the Departmental meeting level changes for each separate department are proposed and recorded by the dean of the department. From there the individual deans meet and discuss these changes, and make recommendations. These recommendations are submitted to the Curriculum Seminar where they are discussed and refined, and prepared to be voted upon. Then the recommendations proceed to the Administration for final approval.

The Administration as a whole is the organization through which almost all things are accomplished at the school. With this year's objective, as stated by Fr. Crawford, "Co-operation between teachers and administration," in mind, the Administration continues to make the school a better place for education and social development.

Fr. Robert Verstynen, Director of Studies, supervises student academic records and class schedules.

Director of Discipline, Fr. William Thomas, presides over the school's absentee list.

Reading announcements, Director of Announcements, John Peck, keeps in touch with school events.

Fr. LaVern Flach, Guidance Director, has the task of keeping a close watch on student scholastic progress.

Seen frequently delivering a sermon, Fr. Donald Brennan, Director of Religious Activities, keeps Christ foremost in the minds of the students.

Fr. Ralph Grovinetti, Director of Athletic Activities, is in charge of the school's sports and athletic schedules.

# Students of Religion Classes Experience Section Masses, Collage Methods, Group Discussions

Two years ago, under the Chairmanship of Fr. Francis McDonnell, O.S.A., the Religion Department introduced the Kerygmatic method of teaching. Through this method the student is in keeping with the modern ecclesiastical development by using analyzed scriptures and the liturgy. This course using the Christian Brothers Series book *LIVING WITH CHRIST* was extended only to the first two classes. This year the juniors use this book in their religion class as well as the seniors in their Sociology class.

In connection with this book *LIVING WITH CHRIST* the Senior History Sociology class will use an analytical course. The purpose is to draw attention toward understanding the application of relevant problems of the world today.

A new approach of teaching religion was taken by the teachers. This approach is called the collage method. Through pictures which are cut from magazines the student simulates the "real figures" of the Church in today's modern world. In his discussion he tells what they mean to him and to the Church, also how would these "figures"

behave if they lived in this present modern world.

Also this year, the chaplains undertook a new program, a section Mass. The Mass is celebrated by 20-25 students in the chapel during the student's early morning period. The number of section Masses given each period of section is determined by the section itself.

For the first time last year, senior class retreats were held at two different retreat houses in the Chicago area. During this period the student attended Mass, participated in meditation, scriptural reading, and meditation. A very profitable to the retreat, a new experience in our school program. The religion weekend program has been started which has been open to limited number of students.

Through the school year, fifty-four students, six per week, attended this program with students of eight other schools. Through these retreat discussions this program provides opportunity for sharing, education and experience of Christian community living. Also additional group activities provided by Fr. Brennan and Congregational School Chaplains.

Informal discussions in religion classes sometimes take the place of lectures. For example, at all religious groups formed in the church, Fr. Heller leads the discussion in Fr. Brennan's class on how best women can be used in a variety of social settings.

**Fr. Francis McDonnell, O.S.A.**, who came to St. Rita for his second time in 1961 is chairman of the Religion Department and teaches Religion I and II. He holds a M.A. degree from Catholic University. His favorite hobby is golf.

**Fr. Donald Brennan, O.S.A.**, who holds a M.F.D. from De Paul University, came to St. Rita in 1960. Besides being our Chaplain and teaching Religion III, he is also working towards a M.A. in Theology. His main interest is golf.

**Mr. Grahame Capp, O.S.A.**, is a new addition to the faculty. He holds a S.T.L. degree from Lateral University and teaches Religion I and II and Latin I. Besides being a tennis coach, he is also interested in languages and sport.

**Fr. Leo Cavanaugh, O.S.A.**, holds an A.B. from Boston College. A member of the faculty since 1965, he teaches Religion I and II and World History I and II. His interests are baseball, football and bowling.

**Fr. James Corrigan, O.S.A.**, who came to St. Rita two years ago, currently teaches Religion I and III. He is a school Chaplain and is the coordinator of the Servers Club. He holds a B.A. from Villanova University. His interests are reading and rock music.

**Fr. Peter F. Dunne**, who is an assistant at St. Robert Bellarmine Parish, teaches Religion I. Father Dunne came to St. Rita in 1958. His special interests are sports and reading.

**Fr. Michael Hogan, O.S.A.**, who teaches sociology IV, is the College Counselor and Director of Public Relations. He began his teaching at St. Rita in 1960. He holds a M.A. in American History from Villanova University. His interests are reading and fishing.

**Fr. James McCloskey, O.S.A.**, a member of the Religion Department, holds a Bachelor of Arts degree from Villanova University. He teaches Religion I and II and has been on the faculty for three years.

**Fr. Robert Chrupka** elevates the Host at Mass. homily, music, communion, participation are all part of the celebration.

**Receiving Holy Communion**, Bob De Marco and Richard Volkman participate fully in the Eucharistic Sacrifice of the Mass.

As a commentator, George Firlt leads the prayers and responses at a Mass celebrated every Tuesday for his class.

To learn more about the life of Christ, Gary Kujawinski completes his project "Land Jesus Lived In," a class assignment.

Fr. John Peck, O.S.A., who came to St. Rita in 1962, holds a M.A. from Villanova University. Trained in Region I, he is the Director of Studies, Adult Education, and the Holy Family Society. He is also the Director of the Adult Education Program at Holy Family, Mich.

Fr. John Natler, O.S.A., was born in St. Rita and grew up in the parish. He is a graduate of St. Rita High School and St. Rita College. He is currently a student at the University of Michigan, Ann Arbor, where he is studying for his M.A. in History.

Fr. John Vander Beek, O.S.A., was born in St. Rita and grew up in the parish. He is a graduate of St. Rita High School and St. Rita College. He is currently a student at the University of Michigan, Ann Arbor, where he is studying for his M.A. in History.

Fr. Robert Vermeulen, O.S.A., was born in St. Rita and grew up in the parish. He is a graduate of St. Rita High School and St. Rita College. He is currently a student at the University of Michigan, Ann Arbor, where he is studying for his M.A. in History.

# New Fine Arts Program Creates Interest in Culture

Added to the curriculum this year was the fine arts program. Under the supervision of Brother Mark, O.S.A., and Mr. Terry Alelunas, this program consists of one semester of music and one semester of art.

Brother Mark, who teaches music, uses movies, slides, records, guest speakers, research assignments, and field trips to aid in the instruction. The mechanics of music as well as the composers are presented in the textbook, *An Outline History of Music*.

The main objective of the music class is to have the students learn the need and place of music in daily life, and to give a basic knowledge of music so that they will be more thoroughly and carefully prepared for their college years ahead.

Mr. Alelunas, as art instructor, participates only in organ-

ization and guidance. The key to the class is self-expression rather than merely copying flower pots and fruit bowls. Drawings are based on the five senses and personal feeling and emotion.

The classroom is decorated with objects brought by the students themselves. They are used as a stimulus to creativity. The students' best work from each class is posted in front of the room as examples of what was wanted for that assignment. This is also used as a student incentive for self-betterment.

Movies and slides are shown and discussed, and guest artists and other persons connected with art will be brought in to speak from time to time. Trips to the Art Institute exhibits are required so that students can actually see art which they have studied in the classroom.

Homecoming week festivities may have a preference with Reid Baran and Don Czubaja in Brother Mark's music appreciation class.

Chris Rojek and Frank Guerra learn about different instruments as they view various posters on the bulletin board.

Relaxing themselves, Tom Labus and Bob Sylvester listen to a music recording.

Brother Mark, O.S.A., chairman of the Fine Arts department, received his B.A. from Villanova and came to St. Rita in 1962. He teaches Music Appreciation I, Religion I and Spanish III. In his spare time, he moderates and directs both the chorus and the soccer team.

Mr. Terrence Alelunas, a newcomer to St. Rita, teaches Art and English I. He is presently doing graduate work at Illinois Teachers College. His special interests are music, literature, writing and he enjoys all sports.

Mr. Louis Ricci, an alumnus of St. Rita, is band director and coach. He received a B.A. degree from DePaul University. Mr. Ricci is also an instrumental instructor at Parker High School.

Mr. Terry Alelunas offers criticism to three of his students. In this way they will be able to better their own work better improve its details.

Knowledge and skill are the two most important things a man can have. Knowledge is the foundation of all learning and skill is the ability to use that knowledge to do things better.

Working at his blackboard, Brother Mark explains the fundamentals of the grand staff to his class, and then asks questions.

Knowledge and skill are the two most important things a man can have. Knowledge is the foundation of all learning and skill is the ability to use that knowledge to do things better.

# English Teachers Stress Writing Skills, Techniques

In the past, the English Department has stressed outside writing and the study of literature in American and English. This year, however, the department has emphasized the teaching of writing skills and techniques.

According to the department, the reason for Mr. Duane Beck's introduction of a new textbook, *Practical Writing*, by Lawrence P. Calkins, is to help students learn to write.

The English Department has been improved by the use of new textbooks and reading books. And, as a result, the English course was improved to the point where students could learn to write better. The students are now learning to write better English in their papers and by the end of the year, they will be able to write better.

The book of new writing and writing English has been the most successful use of the existing program.

Two tabletop models are used continuously by some teachers of the English Department. The models are used to teach the students to write. The models are used to teach the students to write. The models are used to teach the students to write.

Mr. Ronald Nowak, Roma, has shown the teacher how a spelling aid chart operates.

Mr. Raymond Konrath, a member of the faculty, is the principal of the school.

Mr. Thomas Luckey who came to St. Rita in 1965 received a B.S. in Education from the University of Wisconsin. His interests lie in music, dancing and the arts.

As part of a reading assignment for the class, Ronald Zarach hands Larry Ryba the book "The Status Seekers."

While his classmates are still wondering what is the meaning behind the title, James Ryan has already engaged himself in reading.

Mr. Theodore Meant, a teacher, is the principal of the school.

Mr. Thomas Sheehan, in his first year at St. Rita, is teaching English III. Sports are his main interest.

Mr. George Smith, a new-comer to St. Rita, teaches English II. From Loyola University, he has a B.S. in Sociology and majors in English and History. He is interested in sports and travel.

## *Social Studies Department Offers Advanced Placement, Adopts New Textbooks, Forms Club*

For the first time, several seniors studying history have taken the Advanced Placement Examination, in an attempt to receive credit for freshman college history. This goal of the Social Studies Department has been achieved by giving the students a chance to understand better the actions and ideas of the men who made history and the situations which caused history to be made.

Under the leadership of Mr. Joseph Bamberger, Chairman of the Department, Social Studies has been greatly improved for the benefit of the student. Two new textbooks have been introduced, "Our Nation from its Creation" by Nathaniel Platt and Muriel Jean Drummond, and "Conflicting Interpretations of the American Past" by Sidney Fine and Gerald Brown. The latter is a supplement to the regular textbook for the Senior Honors Section, is a book of conflicting interpretations of American history by different historians, which helps the students in their regular study of history. Movies, prominent guest speakers, film strips, tran-

scendancies and records, such as William Jennings Bryan's "Cross of Gold" election speech of 1896, are various educational devices used by the teachers to stimulate interest among their students.

The two top senior sections are taking Advanced U.S. History, a Social Studies course designed for the participation of the students both by open-end and directed class discussions. Through critical reading and analysis, and by their own interpretations of primary sources of famous historical writings, these seniors become more interested in their subject and better prepared for history in college.

In addition to the education of the students, the Social Studies Department sponsors Law Day, the annual Senior Trip and the newly formed History Club. Besides this, Mr. Bamberger is interested in obtaining a National Developmental Educational Act grant from the federal government for the teaching of college history at the high school level, thus encouraging more students to become history majors.

Mr. Vincent Kulys, who came to St. Rita last year, teaches World Geography and English I. He holds a B.S. degree in Geography which he received from the University of Illinois at Chicago. His hobbies are chess and tennis.

Mr. Ronald Nowak, in his fourth year at St. Rita, teaches World History, Civics, Developmental Reading and Religion I. He is the assistant principal and holds a B.S. in Humanities from Loyola University. In his spare time he enjoys reading and playing tennis.

Mr. Ado Leo Rugat, since 1966, is a member of the Social Studies Department and teaches Civics and Contemporary U.S. History. He received his M.A. from Loyola. Coach of our Freshman and Sophomore Baseball team, Mr. Rugat also enjoys playing tennis.

Mr. William Smith, who came to St. Rita in 1961, earned his M.A. in Physical Science from Villanova. He teaches U.S. History and is a Driver Education Instructor. Currently working to complete his Master's thesis on St. Paul, Mr. Smith is also a member of the St. Rita Athletic Association.

Mr. Dennis Scott, who came to the school in 1964, holds a B.A. from Notre Dame University. He came here in 1964. He is presently the Athletic Director and assistant football coach. His chief interests lie in athletics.

Outside readings, such as the book *The American Presidency*, are required in the senior U.S. History course. With his busy schedule Bill Allard is wondering when he will find time to read it.

Determined to pass his quarter test, Ronald Franzen studies the geographical and topographical features of the South American countries.

# Data Processing Offers Ability Placement to All

Through its modern system and the work of its directors, Fr. Casimir Pazera O.S.A., Fr. Edward Novak O.S.A., and Bro. Joseph O.S.A., the Data Processing Department has continued to expand its service to the school. This year students have been individually scheduled, allowing each student to take various combinations of subjects and giving each a chance to meet more people in class. Furthermore, by ability placement, the student is given a chance to compete with students of his own ability in every subject.

Beside serving as an integral part of the administration, Data Processing is also a subject in the school curriculum. The course is taught by Fr. Edward Novak O.S.A. All students wishing to take the course are required to submit themselves to an aptitude test published by I.B.M. This test measures the ability of the student to succeed in the field.

The course is designed to provide the basic knowledge of the field, which knowledge gives students considering con-

tinuation in the field the ability to make a more enlightened choice of a future. Knowledge obtained in the course also provides a basis for those students entering the field after graduation, especially those students majoring in a math or science oriented field.

In the course, the students are instructed in the function and operation of such I.B.M. machines as the keypunch sorter, reproducer, collator, and accounting machine. An introduction into the theory and programming of computers is also presented.

The functions of some of the center's machines are: keypunch, punching information into patterns of holes in a card; sorter, reading the holes in the cards and arranging them according to the information; collator, merging and selecting prearranged decks of cards; and accounting machine, reading the punch in the cards and putting preselected information on the sheet.

This complicated control panel is used in the school accounting machine. As Matthew Brady, Michael Curran, and Michael Agnew work the panel,

they proceed slowly, realizing that one misplaced wire will produce faulty information.

Teamwork' puts words  
across the line. Students  
John Dunneback and Tim

# Continual Expansion Marks Business Department

Bogdan Pawlak works toward speed and accuracy, while behind him his classmates, Dan Evans, Phil Domagalski, Joe Podgorski, and John Calezane teach for the same goals.

To meet the ever growing competition in today's business world, St. Rita has greatly expanded its business programs. Additional classes in market sales, and business law and education have been added. In order to deal with this growth, Mr. Eugene Farrell is teaching business law. New calculators, a new electric typewriter, and new text books in typing, business math, and economics are now in use. This year's objective, according to Mr. August Jeffery, the head of the Business Department, is "a better business education program so as to be compatible with the demands now made by the various colleges and by industry."

After careful consideration, Mr. Jeffery explains the goals of the Business Department to his class in business law and economics.

Mr. August Jeffery came to St. Rita in 1952. He holds an M.S.I.R. from the University of Notre Dame. He is a member of the American Marketing Association and the National Association of Business Educators.

Mr. James Passarelli teaches Accounting I, Sales and Marketing and business mathematics. He became a member of our faculty in 1963 after having received his M.S.B. degree from the University of Notre Dame. He is an accountant in private practice.

At the beginning of the year Mr. Steczynski stresses that hard work is necessary for physical fitness and he explains his system to test each stu-

dent at the end of every semester. Frequently a program of exercises is recommended at home.

## *New Coach Strengthens Physical Education Program*

Sounds of cheering and clapping pierce the atmosphere of the gymnasium as the new physical education coach, Mr. William Steczynski, explains his system to the students. Mr. Steczynski, who is currently the Chairman of the Physical Education Program, has introduced a system to test the development of each student. At the end of each semester a three-part test consisting of push-ups, sit-ups, and sprints is

given. To pass this test a student must pass each part.

At the beginning of the year, Mr. Steczynski stresses that hard work is necessary for physical fitness and he explains his system to test each student at the end of every semester. Frequently a program of exercises is recommended at home.

Mr. William Steczynski, returning to St. Rita after six years, is the Head Football Coach. He received his M.Ed. from De Paul and is currently the Chairman of the Physical Education Program. He is also a member of the American Football Coaches Association.

Joe Podgorski raises the ball while Mr. Steczynski attempts to block him. This is a typical action during an afternoon gym class.

# Different Presentations Aid In Learning Math

Because of the abstract nature of mathematics, an effective method of presentation is essential to any good mathematics class. With this in mind, the Mathematics department, under the chairmanship of Fr. Edward Gorra, O.S.A., has developed various means of presentation to suit both the material and the student involved.

In the two freshman algebra courses, as well as in sophomore geometry, the teacher begins by explaining the concept until the class achieves a basic understanding. A number of problems are then assigned for homework. Next day, various students are required to copy the problems onto the blackboard and explain each step in solving. The teacher then points out any errors and, if necessary, rehashes the concept until it is firmly grounded.

A more sophisticated presentation technique is used in third-year advanced algebra and senior math analysis. Here, the teacher starts class with a formal lecture which the students respond to by taking notes and asking questions. After the lecture, several example problems are worked out and carefully explained on the blackboard. The teacher then recommends a set of problems for the students to practice at home. Next day, the students pick out the most troublesome questions, which the teacher then explains and solves on the board. This process is repeated until the students have reached a solid understanding of the idea presented.

Summer School student Tom Murphy applies himself to multiplication problems.

Fr. Edward Gorra, O.S.A., is teaching in his second year. He holds a M.A. in Mathematics from the University of Notre Dame, Indiana. He is especially interested in golf.

Fr. Robert Chrupka, O.S.A., is teaching in his second year. He holds a M.A. in Mathematics from the University of Washington, D.C., and is currently teaching Geometry II and Sociology. He enjoys sports and varieties of literature, music and movies.

Fr. Edward Groth, O.S.A., started teaching at St. Rose in 1964. He teaches Algebra I and Geometry I. He received his Bachelor's degree from the University of St. Joseph.

Mr. Bernard Kill, teaches Algebra I and Geometry I. He received his Bachelor's degree from the University of St. Joseph.

Mr. Norbert Lasky, who teaches Math Geometry, became a member of the Little League coaching staff. He is also interested in bowling and refereeing basketball.

Fr. Thomas Van Thuan, O.S.A., started teaching at St. Rose in 1964. He teaches Algebra I and Geometry I. He is also interested in bowling and electronics.

Mr. Norbert Lasky questions Rich Korzonek and Jeff Prestinano on a few details of their geometric proof.

## Language Department Adds Third Year Spanish

Although German will remain a two year course in the future, French and Latin will remain a two year course. Third year Spanish is already taught and therefore will eventually be a four year course. Father Mario I. Ferris, S.J., is the director of the language department.

Among the advantages of the language department is that it helps the students to become acquainted with the customs and traditions of the various countries. Mr. Ferris, S.J., is the director of the department and is the one who has been in charge of the department for the past several years.

Education between languages and countries helps students to become acquainted with the customs and traditions of the various countries. Foreign students are also helped to become acquainted with the customs and traditions of the various countries. The department is also in charge of the Spanish newspaper, *La Luz*.

Mr. Ferris, S.J., is the director of the department and is the one who has been in charge of the department for the past several years. He is also the one who has been in charge of the department for the past several years.

John Hofer gives Spanish grammar to the students as Mr. Konrath stands by the door.

Fr. Mario Porreca, O.S.A., returned to St. Rita in 1963. He is a long Latin language. He is Freshman Guidance Counselor, Chairman of the Latin Club, Moderator of the Father's Club, and enjoys fishing and skating.

Fr. Ralph Gusmetti, O.S.A., who came to St. Rita in 1961. He is the Athletic Moderator and Moderator of the Intramural and Traveling Club. He enjoys fishing and skating.

## New Dean of Science Implements Many Innovations

Several changes have been introduced by Fr. Francis Lawlor, who is now the Dean of the Science Department. A course in electronics is now offered to seniors. Using *Electronics Technology* by Charles Dougherty as their text book, students study the theory of the course by building circuits. The project selected for each student is assigned by Fr. Casimir Pazera who inserts problems into the circuits. The students must then troubleshoot the problems and write a report on how they found it.

New storage facilities have been added to the biology lab. This was made possible by the conversion of the Ritan

Room. The new room is now used for storage of biological materials. This room is now used for storage of biological materials. Dissecting a fetal pig is just one of the unforgettable experiments conducted here.

The course in Earth Science this year got a new laboratory. The new lab was equipped with a variety of geological, primary topics in the course.

Chemistry has been taken over by Mr. Edward Dudek since Fr. Meehan was transferred to the St. Augustine Seminary in Holland, Michigan.

Fr. Francis Lawlor, O.S.A., holds a B.A. degree from Villanova University. He was appointed chairman of the science department last September. He came to St. Rita in 1946 and is presently teaching Biology, Religion II, and mechanical drawing.

Fr. Edward Andrews, O.S.A., holds an M.A. in Religion and an M.E. in Guidance. He teaches Earth Science and is Chaplain of the school. He is also Moderator of the Mothers Club. His interests include camping and music.

Mr. John Clifford, a newcomer to St. Rita, is currently teaching Earth Science to sophomores, juniors, and seniors. He holds a B.A. from St. Rita's College and is an assistant coach to the swimming team. His main interest is in car-

## Technical Students Visit Local Contractors

To provide students with knowledge that surpasses mere textbook knowledge, the technical department has put greater emphasis on student activities outside the classroom. The advanced drawing classes laid out a parking lot for a local auto dealer, with a cash prize going to the best layout. The advanced architectural students visit local industrial, business, and residential contractors, discuss their problems, and then present to the class an oral report on what they have learned.

For the freshmen, a revised mechanical drawing book has been introduced, which stresses more modernistic methods of teaching drawing. Freshmen enrolled in the general shop courses learn woodworking and plastics. Sophomores learn how to operate lathes, jigsaws, and sanders.

In the automotive course, sophomores are given not only textbook knowledge but also an opportunity to work on engines themselves. They build and tune these engines and learn about other automobile parts. Results of the student's findings and indications of his understanding are recorded on mimeographed job sheets which were prepared by their teacher, Brother Joseph.

There are many positions available today in the technical field, and many students have gone on to good paying jobs.

Using precision micrometers, Joseph Hehda and Dale Schmitz take crankshaft measurements in their auto shop class.

Tom Donnellan and Larry Racine carefully check the blueprints of their architectural drawings for clearness.

Co-operation between Salvador Galvin and Pascual Villarreal makes building this bookcase in shop class a much easier task.

Freshmen mechanical drawing students, Michael Biangamano, Robert Iske, and Florian Mazurski watch and listen to their

teacher, Mr. Florian Dodge, as he shows them the techniques for drawing three-dimensional figures.

# Mustang Spa Offers LBJ Chicken, Cowboy

Lady Bird Chile, LBJ chicken, Cowboy meatloaf, and Lady Betty Stew—these are some of the many novel dishes offered regularly by the Mustang Spa. St. Rita's cafeteria. By offering these novel dishes the Spa has set itself apart from most other school cafeterias. It has also distinguished itself by being a vital and integral part of the school. During homecoming week the Spa held a Mexican Fiesta and offered such Mexican foods as tortillas and tamales. Also during homecoming week, it was host to the great-granddaughter and great-grandson of Abe Lincoln and a group of Mexican dancers.

On the day after Valentine's Day, the Mustang Spa held its annual Sweetheart Skating Party. A Queen of Hearts was chosen from among several applicants and was crowned by last year's queen.

The Mustang Spa's Head, represented by Brother Anthony, in conjunction with Sister Gregory, O.S.U., published a cookbook of Grogan Recipes. The cookbook was presented to the Parochial Man-  
 12-13 Association in January.

Michael Bregar is one of the many St. Rita students, who receives services from Brother Jerome. The Brothers report to the cafeteria at 6:30 A.M. after having heard Mass in the Monastery. The day's work includes receiving deliveries, preparing and serving food for lunch, and continual maintenance of the cafeteria.

11:40 A.M. to 1:10 P.M. is a busy time in the Mustang Spa. The cafeteria has to be ready to serve four different lunch sessions during the school's two lunch periods.

Bro. Anthony, O.S.A., receiving a degree from Draughns Business College, came to St. Rita in 1952. Besides being Co-moderator of the Christian Mothers Society, he heads the cafeteria staff. Special interests and hobbies are roller skating and bowling.

Bro. Jerome, O.S.A., came to St. Rita in 1962. Graduating from St. Philip High School, he completed a course in food supervision at Loop Jr. College. In his spare time, he enjoys fishing, basketball, and antiques.

Bro. Daniel, O.S.A., who came to St. Rita in 1966, works in the cafeteria. He graduated from St. Edward High School in Elgin, Illinois. His main interests lie in music and roller skating.

Mrs. Cecelia Bevigiani, who is a member of the cafeteria staff, is a new arrival to our school. The mother of one daughter and two sons, she also acts as Cub Scout Den Mother in her spare time.

## Attractive Library Displays Increase Student Reading

Offering a variety of books and articles in a variety of formats, including audio, video, and quiet displays, the library provides a quiet area for students to read, borrow books, and do research work during and after school hours. Its reference staff, during hours that drop-handled volumes and books are available. These volumes are also available to students as a source of information for research papers and class projects.

Directed by Father Joseph Derby, O.S.A., the library has the assistance of Mrs. Lorraine Lo Coco, Father Edward L. Monte, O.S.A., and Mark Snyder, student aide. The library is open to all students and is a place where students can find books and articles on a wide variety of subjects. The library also has a collection of books and articles on current topics.

Fr. John Beretta, O.S.A., coming to St. Rita in 1952, is a full time student at Loyola University majoring in political science. His chief interest is the study of communism.

Fr. Robert Atwood, O.S.A., who received a Bachelor's degree from Villanova University, came to St. Rita two years ago. His father is presently working as a Vocational Director.

Fr. Dudley Day, O.S.A., has been Vocational Director since 1961. He holds an M.A. degree from Northwestern University. His favorite sports are golf and swimming.

Fr. Walter McNicholas, O.S.A., has been at St. Rita since 1961. He holds an S.T.L. from the Gregorian University in Rome and presently is the Provincial Director of Vocational Studies.

## Personnel Assist School in Various Capacities

Fr. C. Edward Stengel, O.S.A., is the Procurator of the High School and Monastery. He came to St. Rita in 1965. His chief interests are football and reading.

Bro. Martin, O.S.A., came to St. Rita last year and he does domestic work in the Monastery. He graduated from Mendel Catholic High School in 1956. He enjoys camp work.

Mr. Melquiades Duque, who is a member of the school staff, is also the Administrative Assistant at DePaul University. Coming to St. Rita in 1959, his special interest is work.

Mrs. Melanie Adamski came to St. Rita in 1963. She is secretary to the disciplinarians and is a member of the Polish Women of America. Among her interests are needlework and designing.

Mrs. Shirley Mingey is the switchboard operator. She belongs to the Mother's Club and is the mother of three children. She enjoys watching the Mustangs of which her son is a member.

Mrs. Evelyn Pavilonis is a part time secretary to the Rector and is the Freshman Representative in the Mother's Club. She is interested in boating and water-skiing.

Mrs. Natalie Satunas, the school Registrar, came to St. Rita in 1956. She is active in the A.J.R.C. Women's Alliance and the St. Theresa Society. Her chief interest is club work.

Mrs. Doris Tabeny is the administration secretary. She came here in 1965 and is an alumni mother of the St. Rita Mother's Club. Her main interests lie in traveling and sewing.

## STUDENT LIFE

*Besides being a good scholar, the St. Rita student must become a part of the action outside the classroom. No one can live alone and this is even more true in school. Without co-operating with his fellow students, he would not develop adequately. Likewise, without the students' interest and support, social events, school organizations, and sports would not be much to remember. Thus "student life" is not an individual process, nor is it confined to the classroom. Student life is an intermingling and union of everyone that enters the doors of St. Rita each day.*

# ACTIVITIES

## *Activities Form Vital Contribution to Student Life*

Homecoming, the Dinner-Dance, the Senior Trip — these are some of the better known activities that contribute to student life at St. Rita. All of these activities are eagerly awaited, for they provide a necessary break for the oftentime boring school day routine. Things never look all bad when there is something big coming up, something the student has been looking forward to for weeks, maybe months.

But the story of activities at St. Rita doesn't end with gala, once-a-year happenings. A student relaxing after lunch, or gabbing between periods, is participating in perhaps the more important aspect of student life — the everyday aspect of it. The student soon becomes used to little things like these and begins to take them for granted, so that they don't do much to alleviate the boredom. But take these "little things away" and life at school becomes next to impossible.

The picture, then, is a balanced one — a combination of the usual and the unusual, the dull and the exciting. Together, these many and very different activities help the Rita man become more experienced and better prepared to face the many and very different challenges of the future.

# Spirit, Effort, Determination Spark Rita "Rebellion" Homecoming

Determination, hard work, and tremendous school spirit were the essential ingredients which made the Rita "Rebellion" Homecoming such a great success. As a Father Duck coordinator of the 1989 homecoming, this success was heavily experienced during Friday night festivities.

The evening was set with excitement as Susan Murphy was elected Homecoming Queen and Jim Sarge of WCHU the homecoming court. Others on the court included Frank whose performance thrilled the crowd. Short, tall, and wide, he was a true star. Coach Bob Staszewski, the school principal, and the crowd were all in the bleachers. Afterward, the crowd seats started applauding and loud cheering started to fill the air with the sound of a new night.

A Rita Homecoming is never complete without a fireworks show, which many thought was the most beautiful and illustrious display they had ever seen. The stadium rang with cheers and lively roars, and everyone's spirit rose to new heights.

## Rita Rebellion Swings Into Action

Action was the theme of Sunday, October 8. The day started with the float parade with floats from Texas and California. The superbly decked floats, displaying the skill of the designers, were hailed by all as the most outstanding of many years. An overflow crowd watched the

float parade and game. The float entered by 4-F received the prize of \$100.

Members of the Leo Lions ended in the Mustang boys by a score and determination. The Leo Lions were a force in the game and in all homecoming activities.

## *Proms, Dances, Sock-Hops Highlight Activities*

Spirit throughout the school year was generated by Proms, Dinners and Socials. On the Saturday night of Homecoming Week of the Convention Dinner was held in honor of the Homecoming Queen. The banquet at the Snow Ball Dinner which was a very formal event on Saturday, December 23. During the second semester various dances and social hops were conducted by many of the school organizations. Among them was the Mission Dance which was held to raise money for the South American and Chinese Missions. Another dance which featured two big name bands was sponsored by the Student Council and the National Honor Society. The Junior and Senior Proms concluded the school year. The Junior Prom was held at the La Bouché on May 3rd. The M & M Club of the Merchandise Mart was the site of the Senior Prom on May 25th. Music was furnished by the bands of John Gilbert and "The Highlighters." The second band also played special numbers at individual tables.

The Shy Ends (1991) is a collection of 100 poems, many of which are written in a style that is reminiscent of the early 20th century.

## *Graduation Opens Minds to Challenge of Future*

With Diplomas in their hands, the graduates end four years of study and work. During the ceremony many feel responsible for the future. What the future has in store for them is a primary question. Part of the answer lies in what they have already accomplished for their achieve-

ments mold their destiny. Feelings of satisfaction and pride are reflected as they realize the years of study were a good preparation. As result of their work they will meet the challenges of the future.

## Juniors, Seniors Depart in Opposite Directions

On Monday Morning, April 13, the juniors and their moderators departed for Chicago. The seniors and their moderators departed for Los Angeles. The seniors were filled with the spirit of the Washington Monument and the American Revolution.

Almost two days were spent exploring the National Capital. The tour of the city began with a breathtaking view from the Washington Monument. The Jefferson Memorial and the Lincoln Memorial were also a few of the sites visited. On April 20 the juniors returned home.

On the same morning, April 13, approximately 60 seniors departed from Chicago aboard an American Airlines Astra. The seniors spent the following day in Los Angeles, the San Francisco area, and then up the coast to San Francisco. They spent the night at the Marriott Hotel. Two days later they returned to Los Angeles.

During the trip they visited the Los Angeles Convention Center, the Santa Monica Pier, and the Santa Monica Pier. On April 15 the seniors returned home from the trip. The seniors returned home from the trip.

# ORGANIZATIONS

## *Organizations Promote Friendship, Co-operation*

Organizations hold the key to a different, dynamic aspect of life in the school community. After-school meetings, late-hour rehearsals, gym nights — all break the routine of classrooms and stairways. Instead, with the pressure relieved, members get a chance to meet, and discuss problems with fellow members and moderators. Thus organizations open the door to social unity and faster friendship and co-operation.

Organizations are not "all fun and no play," though. They perform services, however small, to the school, and make school life more exciting and more complete.

Thus, organizations perform services to the school, yet create an atmosphere of friendship and co-operation by providing the chance to mingle and enjoy each others company without the pressures of daily school routine.

With the game even, Jim Matthews looks for a way to get his pawn down to the other end of the board for a queen, while Tom Plant finds ways to hamper him.

# Important Activities Mark K of A's First Year

The Knights of Augustine, a new organization, has engaged itself in many activities. Besides its monthly meetings, the members have come together for various events. The club sponsored a picnic, a pool and bowling night, and two dances. The money earned from these dances was used by the K of A to send educational films and money to the Augustinian Missions in Peru and Japan. Other activities sponsored by the club were a beach and yard party.

Fraternal unity was shown when the club made and displayed posters in the stadium. Lacking the cover K of A members who are on the football team.

At Christmas time, the fraternity sponsored two projects. Project Inner City, in cooperation with the Christian Family Movement, sponsored a food drive among the students of St. Rita High School. Under the direction of chairman,

Marty Crane, food was gathered for delivery to a central city parson for distribution. During the second Christmas project, Project Santa, the Knights of Augustine sent gifts to the children of Servicemen in Viet Nam. Tim Minge, was the chairman of this project.

Besides being a social club, the Knights of Augustine is also a Catholic and Augustinian fraternal society. The members strive for Christian living, the spirit of the Augustinians.

The K of A is a modernized form of the Augustinian Order Secular, through which the members make themselves better Catholic laymen. Under the direction of their Chaplain, Father Andrews, the Knights of Augustine enjoy themselves socially as well as improve themselves spiritually, and participate in civic affairs.

# Ritan Begins Program Of Innovation, Focuses On Students' Interests, Strives For All-American

Each year, 25 principal issues of content are set and written by the students of the Ritan. Moderated by Mr. Donald Racky, Editor-in-Chief, the program has been in progress for this year. The program began with the publishing of a school yearbook in 1965. The other outstanding feature for the year school year. In later issues, editorials dealing with controversial issues were given special attention and greater depth in their interest stories was achieved.

As a result of much hard work, the Ritan once again received a "first place" rating from both the National Scholastic Press Association and the Columbia Press Association. This rating is a compliment to the All-American. With a little more effort, the Ritan hopes to get the All-American rating itself.

## *National Honor Society Conducts PTA Survey*

Respected by the faculty and student body, the National Honor Society is an effective and active organization in the school. The membership is comprised of seniors of the highest calibre. Qualifications are outstanding academic achievement, participation in extra-curricular activities and high personal qualities. Most members have received scholarships or commendations.

The purpose of the National Honor Society is to promote scholarship and leadership qualities in the members and to serve as preparation for social and academic college life. Members often perform services for the school, thus rendering valuable assistance to the faculty. Members have acted as proctors for the entrance examinations for incoming freshmen and often substitute for the teachers of the underclassmen. Aside from these activities, the members also assist the school during the freshmen orientations and tutor freshmen who have academic difficulties. The National Honor Society also is conducting a survey of Parent-teacher groups in surrounding schools, a project conducted under the direction of Kevin Downs.

However, the Honor Society also has its fun side. Every year, the NHS holds its annual banquet, financed by the dances held by the Honor Society every spring. The money was also used to purchase blazers for each of the members among other benefits, all due to the hard work of the members.

In past years, the Society, under the direction of its mod-

erator, Fr. Robert Verstynen, O.S.A., has helped bring the name of the school to a higher degree. Every spring, new junior members are initiated into the Society which has helped the school in its various activities and events.

Pat Ivers and his date check in and receive their Senior Prom bid from Honor Society members Mike Riley, Jim Melaniphy, Frank Kassanis, and Bob DiGiacomo.

# Band Captures First Place At Riverview Mardi Gras

Once again the Marching Mustangs of St. Rita brought home awards and praise for their excellent performances around the midwest. Through the efforts of Fr. John Peck, the moderator, and Mr. Louis Ricci, the director, the band under tri-state competition, won first place at the Riverview Mardi Gras and third place at the Michigan City Summer Festival.

Some other people responsible for the band's success are Mr. Charles Yura and Mr. Daniel Rosinski, assistant directors, Mr. Robert Black, choreographer. This year's officers were Thomas Kolecki, president, Fred Herr, first vice-president, Dave Kolton, second vice-president, Charles Anderson, secretary, Dan Veitkus, treasurer, Michael Curran

junior representative, Robert Butcher, sophomore representative, Stan Wojtyla, freshman representative.

While playing for the De Paul Notre Dame and Loyola Marquette basketball games, they were seen all over Chicago and its suburbs on television. Besides playing for all St. Rita football games, the band performed a spring concert and Christmas shows.

Performing is not the only feature of the band, it provides fun and relaxation for its members. On January 19 the band went on a ski trip. During Christmas time, they presented their annual dance and a week later they were treated by the Band Boosters to a formal banquet at Ferrara Manor.

Awaiting the whistle of the drum major, the enthusiastic band members continue their excellent performance at half time. Some of the muffled

drum routines were performed to the music of "Joshua" - George Carl - and Spanish Flea.

## *Rita A-Go-Go Club Arouses Enthusiasm at Faculty-Varsity Game*

During the cheering and the accompanying players of the basketball games St. Francis' organization, Rita A-Go-Go, encourages the students to take part in cheering the team. Besides taking part of the following cheer, the club also encourages the students to sing the school song, inspires the members to follow its example. The club also encourages the growth of well-rounded men by bringing the students out to the games. The club's members help in boosting school spirit by making posters and by talking about the games to their classmates. Obtaining tickets from dances and from a faculty varsity basketball game, the club is able to provide free rides to the away games to help student popularity and to hold card and pizza parties. Besides these activities the club also promotes student interest through discussions and through regular monthly meetings. Now in its third year, the club is extending its influence. The club hopes to further the amount of student participation in the future through closer contact with the Student Council.

## *Chemistry Dominates Science Club Projects*

This year's Science Club has decided to work exclusively in the field of chemistry. Experiments, directed by Mr. Edward Dudek, help the members apply and increase their knowledge of chemical action. The organization serves as a training ground for future scientific endeavor.

As regards activities, club leaders have prepared a trip to Argon Laboratories and lectures by various teachers, as well as the Annual Science Fair. President of the Science Club is Norbert Schranz, Vice-President, Michael Kisicki, Secretary, Robert Macejak, and Treasurer, Henry Valulis.

## *New Moderator Heads Stamp & Coin Club*

A new moderator has injected fresh life into the St. Rita Stamp and Coin Club. Under Fr. John FitzGerald, the group has reached a high degree of enthusiasm and accomplishment. Members recently completed a successful drive for pop bottle labels to help finance their annual exhibit in the school library. This year's theme is to be "Progress Through International Understanding."

Lively trade sessions follow every club meeting, and active discussions about the many different facets of stamp and coin collecting are frequent. These projects are conducted under the leadership of President Vytantas Ramonis and Secretary Stanley Aukstinskas.

## Christmas Program Highlights Chorus Year

New surroundings, new ideas, new faces, determination and enthusiasm were the active ingredients which made up this year's success story.

Under the direction of Brother Mark O.S.A., sixty men performed at the Faculty Christmas Party. A Christmas Concert with the Maria High School Choral Club was also presented. Liturgical functions included the Alumni Mass, Christmas and Holy Week Services, and the Annual Novena. Performances for the Mother's Club, the Parent's Program, and Graduation Exercises completed a busy musical year.

Co-operation on the part of Officers Rich Potempa, Vince Krawczyk, Ed Burmila, Dave Fedro, Jim Gorski, and Dennis Johnston, social and athletic events enjoyed by all, interest in learning and sharing vocal music, dedication and loyalty to St. Rita High School — all added up to a wonderful experience. — Chorus '68

## Student Council Suggests Basketball Homecoming

Student Council Officers: Secretary Mike Ruck, Treasurer Mark Viner, Vice President Mike Strick, President Al Marcus, and Moderator Dan Evans with Moderator Fr. John Peck.

Promoting student support, the Student Council has been expressing the views of the student body in the meetings of the Student Council, which met once a week. The Council had an active role in sponsoring the Homecoming and Junior-Senior Dinner Dance, and forming cheering sections at games.

Under the provisions of the new Constitution, the Student Council has come up with many new suggestions. The representative of each section takes these proposals to his class and has the section vote. Some proposals were whether or not students should have off hours privileges and should students be required to wear school uniforms. Mandatory games and sock hops after basketball games were also suggested. The Council went so far as to propose smoking privileges for the students. Through moderator Fr. John Peck, a basketball homecoming was advised to stimulate as much interest in basketball as there was in football.

## Radio Club Acquires Attractive Facade

Efficiently supervised by Fr. Casimir Pazera, O.S.A., the Radio Club this year remodeled its "radio shack" the base of the Club's transmitting and receiving operations. As part of the renovation, a formica table top has been installed to support the radio. The Club consists of the following four branches: hi-fi stereo, radio control, electronic experimentation, and amateur radio. A weekly lecture is presented by Fr. Pazera. Patrons of these talks are given a comprehensive examination at the end of the course. A passing grade on this test earns one-half credit in electronics for the achiever. The Radio Club broadcasts under the station license "W49DNX." Most of the members are currently studying for their amateur radio licenses. The officers of the group are as follows: William Kowalewski, President; Leo Rybka, Vice-President; Martin Buchring, Secretary; and Thomas Keshin, Treasurer.

## Father's Club Sponsor 4 Dances for Scholarship Aid

Any man interested in the welfare of a former or present student of St. Rita High School is eligible to become a member in St. Rita's Fathers' Club. With E. W. Decker, Thomas as moderator and Fr. Albert Decker as moderator. They each meet on the second Friday of the month. The fathers assist the school in various ways. Money from members' dues and from the four dances they sponsor is used for scholarships and for the tuition of students whose fathers

died while members of the club.

Aside from giving trophies to the school's top athletes at the annual Football Banquet, the students having the highest average will receive a gift of \$25 from the Club at each half.

In April 1967, Mr. Joseph Heenev was elected president for 1967-68, but died last summer. Mr. Edward Poetz then became president.

Mrs. Joseph Heenev presents trophies to Seth Adams, Phil Adams, Gary Sulek, Norman Adams, Norman Adams, and Thomas Baltus and Martin Baltus, who are both freshmen award.

# Mother's Club Sponsors Faculty Christmas Party

Let no one work for himself alone, but let all your work be for the common good." These words of St. Augustine are the theme of St. Rita's Mothers Club. Fr. Edward Andrews is the moderator of this club, which strives for better relations between students and their parents.

The Mother's Club meets on the second Monday of every month. At these meetings, business, students, and further events are discussed. However, organization projects are not the only topics which are brought up. Each meeting has a theme around which the meeting is built. For example, the first meeting of this year was entitled "Get Acquainted Party," where new members met informally and were introduced to the club. On "Fun in the Kitchen" and "Pot Luck Treats" nights, the ladies exchanged cooking tips. Another event was their annual Rummage Sale. On December 7, the club held their annual Christmas Party, at which the faculty members were the guests of honor.

Funds which the Mother's Club collects are used for school improvements.

Alumni members dining at the main table are Thomas Dower, Fr. Crawford, President Robert Black, Executive Secretary Ed Maksym, Honorary Banquet Chairman J. Leo Cleary, and Phil Broderick.

## Alumni Pay Tribute to Deceased Servicemen

The Martinique Restaurant was the scene of the annual Alumni banquet held on March 8. Mr. Thomas W. Dower, banker and investor, received the 1967 Outstanding Achievement award. Mr. Philip Broderick of the Broderick Furniture and Mr. Joseph Herbert of the Marquette Photo Shop were made honorary alumni. Tribute was paid to the alumni servicemen who died in the Vietnam war.

The Alumni Association is comprised of approximately 12,000 members. During the past year it sponsored jointly the academic scholarship program with the school. Its future aim is to increase active membership and to seek enlargement of the scholarship and athletic programs. Meetings are held monthly in the alumni office.

Alumni Director Fr. Crawford congratulates Dr. Paul E. Lawlor Sr., Class of '18, an outstanding obstetrician.

# SPORTS

## *Sports Provide Competition, Participation, Teamwork*

High school days are more than just a time for study. They are a time for competition, participation, and teamwork, a time for sports. Every individual has some interest in a particular sport whether it is football, basketball, bowling, or tennis. Making the team and being able to stay on it, give many students a sense of achievement. Even when a game is lost a player can feel he has done his part if he has co-operated with his fellow teammates. Not all students make varsity, but there are other means of competing. Often during a lunch period, a spectator can witness as much enthusiasm in an intramural game, as he does at the varsity match. But no matter what type of sport in which an individual watches or participates, this activity makes his high school life much more enjoyable.

Coach Bill Styczynski advises John Jakiec the next possible set of plays he might run.

# Football Varsity Finishes Fourth in South Section

The Mustangs finished fourth in the South Section this year with a 1-4 record. Despite this record, the Mustang offense scored more points than it has in the last three years. The offense gained 1,000 yards passing in four games behind the fine passing of quarterbacks Jack Jakiec and Ed Sojka. Ends Brad Wisniewski and Kevin Downs accounted for this fine air attack. The defense was not as strong as it has been in past years, which may be attributed to a poor record.

The Mustangs under new coach Bill Styczynski are undergoing a new building process. Last year seven newcomers show action including three sophomores. Several players missed action because of injury. Among these were Paul Gary, Brad Wisniewski, and Dave Dylas.

The team captains this year were Kevin Downs, Wally Slezak, and Phil Domagalski. Brad Wisniewski, Paul Gary, and Kevin Downs made the All Conference squad because of their outstanding playing.

Glenn Marek plunges through the line to reach the end zone as Mike Wilcox is blocked by the defense.

Kevin Downs is tackled by a Mustang defender during the game before half time.

Fred Walton defends against Leo newcomers while John Jakiec unleashes a long pass from his fingers.

## Freshman Team Posts 2-3 Record

Rambling down field, Ed D. Malley carries a few yards before being tackled by a defender.

After a 20-0 victory over St. Ignace, Mendon, the first football team finished its season strong, winning four of five games with an overall record of 38-14. The defense contributed significantly to these victories by holding Weber and Mt. Carmel to one touchdown each. The most accomplished backs were Tom Schumacher and Ken Aitchison while the line was led by Jerry Ficaro; Aitchison was also high scorer on the squad. Under the direction of Mr. Al Styczynski and Mr. Jim Houlihan they were trained in the fundamentals while gaining experience which will be useful to them in the future on the varsity squad.

## *New Soccer Team Has Spirit—Needs Unity*

Soccer has become one of the many sports played by Rita Men. With the moderation of Bro. Mark, O S A, some help from Mr. Dennis Szot, and the coaching of Nick Marculin, a volunteer, a team was organized. The fundamentals of soccer, dribbling, passing and shooting were taught and practiced throughout the year.

The team was shut-out in the first three scrimmages against Loyola Academy. Despite these losses team spirit and determination never faded. Coach Markulin was not concerned with the scores, he was more interested in the team's performance as a unit.

Enthusiastic team work will be much in demand as the "Mustangs" enter competition in the Chicagoland Soccer League against such teams as Brother Rice, Gordon Tech and various suburban schools.

# Mustangs Finish 4th in League Play With 6-6 Record

Concluding their season with a record of 9 wins against 13 losses, the heavyweight basketball team was directed by Head Coach Bob Kopecky and Assistant Coaches Ron Nowak and Ray Konrath.

The heavies played in several tight games, winning four and losing six. These games were those played with St. Philip, Loyola, Weber, Gordon Tech, Fenwick at the DePaul Tournament, and both League games with Mount Carmel. The closest of these was the one with Fenwick. During this game the lead changed many times, with about one minute left to play in the game, the Friars got the ball and stalled for the last shot. This shot went in and the Mustangs lost by two points 51 to 49.

The Mustang attack was led by Junior center Herb Courtney, who made 176 baskets and scored 410 points overall. In the regular league season, he made 95 baskets and racked up 222 points. Second in scoring was another junior, Rich Urbanski, who made 145 of his 251 points during the league season. At the freethrow line, honors went to Jeff Prestinario and Mike Sheehan. During league play Jeff Prestinario shot for 80 percent accuracy and led with 37 freethrows, while Mike Sheehan shot 65.5 percent.

After Mark Vincel's scoring tapered off, Al Fashingbauer was called to play first-string forward. During the second half of the Mendel game he injured his leg and was forced out of competition for the rest of the season. Taking his place was Jeff Prestinario from the light-weight team. In his first game on the team, he scored 12 points. After that, he slowed and the first-string then consisted of Herb Courtney, Rich Urbanski, Mike Sheehan and Bill Allard, with the other position being filled by Mark Vincel, Al Marco and Jeff Prestinario.

The Mustang heavies finished fourth with a record of six wins and six defeats, missing the Catholic league playoffs for 1968 by only one game.

Rich Urbanski jumps and shoots over the heads of Mount Carmel opponents. The Mustangs lost 58-55.

With the ball up in the air above the basket, Herb Courtney, Bill Allard and Mark Vincel all go for the rebound.

## *Rough Season Sees Lights Finish Sixth Place*

"Get that ball," yells Cal Williams, as Co-captain Kevin Downs struggles with a couple of Vikings for a loose ball.

An overall record of eight wins and fourteen losses was compiled by St. Rita's Lightweights. This poor record was contributed mainly to the lack of juniors and seniors which resulted in the team having very little experience. Often three or four sophomores were on the floor at one time, the reason being that at least ten boys were ineligible because of Catholic League height regulations.

The Lights performed well against many North Section teams. They beat the Fenwick Friars twice and also St. Philip's, who has been undefeated since then. But it was a different story with the South Section teams. The Mustangs ended the league season with a record of two wins and ten losses. Most of the teams were just too strong for St. Rita.

Tom Howard led the individual scoring with his 178 points. Cal Williams was second with 139 points. Tom Howard also had the best free throw percentage with 77%. Kevin Downs was runner up with 56%. Ron Biamonte won the rebound trophy by totaling 143 rebounds.

Kevin Downs and Tom Howard were honored by being chosen to play on the South Section All-Star Team. Mr. Kopecky was also honored by being named coach of this team.

The Lights were under the direction of Head Coach Bob Kopecky and Assistant Coaches Ray Konrath and Ron Nowak and also under the leadership of Co-captains Kevin Downs and Tom Howard.

# Lack of Experience Hinders Lightweight Season

As always, hustle is the name of the game for Kevin Downs. But there were times when Kevin overcame. After he lost a Viking opponent who

was in for the ball, Tom H. and Earl D. and B. and C. and D. and E. and F. and G. and H. and I. and J. and K. and L. and M. and N. and O. and P. and Q. and R. and S. and T. and U. and V. and W. and X. and Y. and Z. and the Mustangs won the game 40-35.

Jeff Prestinatio seems to be trapped as a part of Carter. Jeff's brother, Ron, is also trying to help.

Looking for an open teammate, Cal Williams holds on to a rebound of his opponent. Cal passed the ball and scored all year.

## Bantams Win 8 Games

Concluding the season with eight wins and nine losses, the Bantams tied Brother Rice for third place position in the Catholic league. High scorer on the team was John Thompson with 180 points, which averaged 12 points per game. Second and third in the line of scoring were Harvey Middleton with a 94-point total and Larry Wolfer with 93 points. The best free-throw average was tallied by Bob Sapp completing 77% of his charity tosses, followed closely by Larry Wolfer with a 70% average.

The prominent prospects of the team cited by their Coach were John Thompson for his shooting ability, Bob Sapp for his ball handling, and Larry Wolfer because of his height. The Bantams were under the direction of their new coach, Mr. Ron Nowak.

## Flys Take Second Place

A disappointing practice season record of only one win and four losses made the upcoming league battles look quite dismal. However, in keeping with typical St. Rita spirit the players refused to give up, and by the end of the season the Flys had been victorious in eight of their 12 league games. Al Szram led the team in both scoring, with 132 points, and in rebounding. Jim Brasher finished a close second in the scoring category with 130 points while second honors in rebounding went to Jeff Mader. Don Maher and Jim Brasher shared the free-throw crown each having made good 48% of their charity tosses. Coach Ray Konrath said that once the right combination of boys was found the Flys were tough to beat. Jim Brasher and Don Maher were cited as the best freshmen prospects.

## Netmen Finish Third Place in League Play

The St. Rita Tennis Team, moderated by Mr. Grahame Capp, O.S.A., placed third in the B division of the Catholic League. The A division consists of Brother Rice, Fenwick and Loyola. In the B division are St. Laurence, Leo, St. Rita and Mendel. The B division plays six games during the fall season, while the A division plays eight. The two games scheduled with Mendel were rained out. Number One netman this year was Jim Klorz, followed by Ken Markunas.

Mr. Capp has planned a few different activities for the team. The team competed in the Bro. Rice All-Star Tournament.

Jim Qualizza and Carl Ekms represented St. Rita in the Freshman and Sophomore Tournament in October. Although on this young team there were no winners in the tournaments, Mr. Capp looks forward to a few trophies next year. Mr. Capp wants to send various players to take part in the tennis instruction courses at Beverly Country Club.

## McGinnis, Flaherty, Preucil Win Harrier Medals

Although this year's Cross Country teams did not succeed in winning a state title, they reaped a harvest of victories. The seniors with a 3-1 record finished first of six teams in the South Section Meet, while the Juniors with a 3-5 record placed third. John Flaherty and Bob Preucil each earned a Bronze medal, and Jim McGinnis won a Gold Medal for his first place, record breaking run of 2.1 miles in 11:29. With these and other experienced runners returning next season, Coach Ray Konrath predicts "a stronger team with more depth" for next season.

## Senior Track Team Finishes With 3-4 Record

Although this year's track teams progressed considerably over the past seasons, they did not finish with a winning record. The Senior and Junior Varsities ended with a 3-4 and 1-6 record respectively. In the South Section Meet the Seniors placed sixth out of seven teams, and the Juniors fifth. The teams, however, did have their share of glory. Bill Mulvihill was awarded a gold medal for his first place finish for pole vaulting at the City Meet, while Rich Potempa and Jim McGinnis earned silver medals. Moderator Ray Konrath is depending on the teams' new members to back up its few experienced men.

## Varsity Baseball Team Finishes 13-10

The Varsity baseball team is looking forward to a season which hopefully will prove to be more successful than the '67 season. The varsity will welcome back left hander Tom Wallace who is confident of a good season on the mound. Last year, however, Tom suffered an arm injury which hurt his performance. Also returning is another left-hander, Joe Gonski, who will pitch for the Mustangs. Coach Joe Porrevecchio said, "The major factor which will determine our success is pitching, you can't win if you don't have pitch-

ing. Other returning members of last year's squad are Jim Zak, Jim Finn, Rick Moone, Glenn Marek, Tom Gartland and Dan Brasky who will provide bat strength and a strong defensive ball club. Sophomores Jeff Johnson and Bob Landi, both in their first year of varsity ball, will certainly be an asset to the team. The team as a whole, under the coaching of Mr. Joe Porrevecchio, is looking ahead to a much improved season. Fr. John Sattler, O.S.A., who came to St. Rita in 1967, is the assistant coach of the varsity.

## Rain Hampers Frosh-Soph Baseball Season

Because of bad weather the Frosh-Soph was able to play only nine league games. Nevertheless, they showed fine ability offensively and defensively. The team lacked size however it had good speed and agility. Gary Haraf displayed great speed and control on the mound, as Ed Sojka and Dave Dybas contributed bat strength. The infield was strong committing only four errors. The coach in charge for the second year is in the hands of Mr. Ado Rugai, who stated that "the 1968 Frosh-Soph looks better than ever." With this selection under the Frosh-Soph is looking forward to one of its best seasons.

# Traveling Teams Place Second in Competition

In the Catholic Interscholastic Bowling League, the Senior and Junior bowling teams took second place. Despite a poor start, the Senior Team won 30 of their 32 remaining matches, giving them second place. Consistent bowling by the Junior Team merited a second place tie with Mendel. Brother Rice took first place in both Senior and Junior divisions of the South Section league. Fr. Ralph Givens, the O.S.A. director, is the traveling bowler.

The Senior Team is composed of seniors and juniors, while the Junior Team is made up of the remaining classes. High series for the Senior Team was a 608 total by Paul Brown and a 578 by Dan Janosek. High game for the team in league play was Doug Daggett's 226. The Junior Team shared in the high scoring. High series of the team were Ed Wopinek's 564 and Fred Biele's 563 total. Ed Wopinek and Tony Zielinski had high games of 211 and 205 respectively.

## *“Competition” Key Word for Intramural Bowlers*

Every Monday after a long day of school students meet at Gage Park Bowling Center to decide the winners of the numerous awards and trophies offered. Bowling is very popular in the area. Bowling under the direction of Ed Rydahl, Co-ordinator, U.S.A., offers fun and recreation to all participants. Three groups make up the league: Senior, Junior, Sophomore, and Freshman. Each year of last year ten and two veterans respectively.

Competing for top honors has been prevalent. Tony Miranda's 641 series and 16 Wipeout 50-2 were the League's best. High scores of 261 and 179 by Tony Miranda and Phil Brown topped the League Awards were presented at the annual May bowling banquet.

While Bruce Snyder chooses his ball, Tim Janta gets ready to show his team that's a strike.

## CLASSES

*Co-operation takes on its most complex yet most important form in student association. Here, each individual discovers that co-operation is hardly a one-way situation because he is surrounded by many fellow students. He must learn not only to harmonize with his classmates but also to help them in their endeavors. Then he is prepared to share the benefits which the school offers. Through student co-operation, the school becomes a better place in which to live, learn, work, and socialize.*

## FRESHMEN

### *Through Co-operation, Freshmen Overcome Challenges*

After eight years of grammar school life, the freshman finds himself in a totally different and unique surroundings. He is introduced to a greater scope of knowledge in subjects essential for a well-rounded education. Many extracurricular activities, which become part of a student's life, are offered to him.

The eager and energetic freshman is faced with the challenge of meeting new friends, learning new subjects, and participating in different activities. Only through co-operation with students, faculty, and counselors can he overcome this challenge and become a more well-rounded individual — a leader of the school. Co-operation is the basic element, the source of success. Although only a freshman, he becomes a "Rita Man," and must undertake the responsibility of a real man.

## SOPHOMORES

### *Sophomores Plan Activities at Class Meetings*

One year older and with one full year of experience behind him, the sophomore now tries to assume his proper role in the school community. Realizing that the school is more than just an impersonal building, he finds that a certain amount of cooperation is needed to gain the full benefits of school life. With this as a guiding principle, the sophomore tries to achieve new harmony with faculty and fellow students that he never dreamed possible a year before. He casts a ballot for his favorite officer. He cheers a cheer at a football game. He joins some of the many extra-curricular activities in the school. And he lets the spirit of cooperation be a guide to his life both in and outside of school.

## JUNIORS

## *Juniors Realize Responsibilities as Upperclassmen*

The change in the number of acres in the riparian forest of the river valley from 1940 to 1950 has a cumulative decline of 14,000 acres that will make at least the starting point for work on keeping at least two-thirds of the riparian forest in the valley. The riparian forest is now 14,000 acres less than it was in 1940. In this time, the riparian forest has been reduced to 14,000 acres less than it was in 1940. Now, the riparian forest is 14,000 acres less than it was in 1940. Now, the riparian forest is 14,000 acres less than it was in 1940.

Teacher preparation programs are required to provide a part of their activities and preparation that focus on (2) developing the best teacher candidates and (3) select the top candidates and ensure they are ready to take on the responsibility both individually and group that can improve the state school education. However, it is most important that by striving to the best of the state, it will reach the highest standards for cooperation with the teachers, parents, and students.

Officers of Junior Class: Secretary, Russell Szolitzski; Treasurer, James Salsano; Vice President, John Salsano; President, Joseph C. Gorka.

# SENIORS

## *Senior Efforts Help in Molding Future Leaders*

Armed with three years of high school experience and a fierce resolve to push on to the demands and rewards of what could be the St. Rita senior works especially hard to overcome the many challenges of his final year. He is determined to make it the best year of his life, both academically, socially, and morally. He knows that the more he experiences these final nine months, the better prepared he will be for the challenges of the future. And so, as those before him, he takes the lead in the various fields of student life. In academics, in sports, in student government, clubs, and service organizations, the senior brings his leadership, drive, and energy, all of which are very necessary to a full, well-rounded, and truly successful education. Through his cooperation with teachers, administrators, and fellow Rita men, the senior also contributes toward making the school a better place for the other students than he, the senior, who will be better prepared for the duties they, in turn, must assume as tomorrow's St. Rita seniors.

Officers of the Senior Class. Vice President Timothy Minge, Treasurer Walter Slezak, President Kevin Jewiss, Secretary Daniel Evans, Moderator Fr. Robert Verstynen, O.S.A.

Mark Jarosz was born on February 23, 1950, the son of Joseph and Regina Jarosz. He attended Holy Martyrs grammar school and later was a member of the parish teen club. Sports took up much of his spare time, although he also liked to watch television and work on plastic model kits. At St. Rita, his favorite subject was science. He planned to go on to college and perhaps become a doctor.

When Mark died on January 13, 1967, after a year-long illness, those who had lived and worked with him knew they had lost a true friend. May his soul live in the eternal warmth of God's love and mercy.
